Reference No. 66PR-2025-015

PSA-Sulu staff undergo intensive training to prepare for the 2025 LFS and FIES field operations.

From June 26 to 28, 30, and July 1 to 3, PSA– Sulu conducted the 3rd Level Training for the 2025 Labor Force Survey (LFS) and Family Income and Expenditure Survey (FIES). The training was held at the Ballroom of NDCC Buldoc in Walled City, Jolo, and was attended by field personnel who will be deployed for the upcoming survey operations.

The sessions aimed to prepare the participants by giving them a solid understanding of the survey process, including how to properly collect and handle data from households. With these surveys playing a big role in shaping government programs and decisions, PSA-Sulu made sure that the team is fully equipped and ready to gather reliable and accurate information on employment and family income.
