Secure Your Identity: Get Your E-Phil ID

Date of Release: **20 July 2023**

Reference No.: **2023-015**

A kid after registered for Step 2 registration, they claimed the E-phil ID in just 5mins

20 July 2023 – The Philippine Statistics Authority – Bangsamoro Autonomous Region in Muslim Mindanao (PSA-BARMM) through its provincial offices encouraging to register for Philippine Identification System (PhilSys). We are excited to announce that you can get your E-Phil ID in only five minutes or less after successfully registering for your PhilSys ID.

The E-Phil ID is a printed paper version of the Physical National ID or Philsys ID, which helps citizen to prove their identity. With the E-Phil ID,

people can securely access public services, conduct financial transactions, and perform other important government transactions.

In addition, we are encouraging children ages 5-14 years old to register for a national ID. Getting them registered at a young age can make it easier for them to use certain services, access educational resources, and receive healthcare when needed. This also helps them learn about responsible citizenship from an early stage, which contributes to the overall development and well-being of our nation.

Moreover, we have made the procedure much simpler and faster than ever your necessary identification. Don't wait any longer, claim your E-Phil ID now, and take advantage of this quick and convenient government service.

Your E-Phil ID is ready and waiting for you!
