## PSA- BARMM Enjoins Support to the 2023 National ICT Household Survey

Date of Release: **05 February 2024**  
 Reference No.: **2024 – 003**

The Philippine Statistics Authority (PSA) in coordination with the Department of Information and Communications Technology (DICT) announces the conduct of the 2023 National Information and Communication Technology Household Based Survey (NICTHS).

The survey aims to gather updated household and individual information and Communications Technology (ICT)-related data that are necessary for producing internationally comparable core ICT indicators. The information gathered will also serve as a valuable input in monitoring existing programs, development projects and formulation of future policies geared towards the advancement of ICT in the country.

In line with this, the PSA-BARMM enjoins the public to support the 2023 NICTHS by providing the required information to authorized PSA interviewers who will visit the sample barangays, households and individual to conduct the personal interview. Rest assured that all information shared with the PSA will be treated with utmost confidentiality as enshrined in the Philippine Statistical Act (RA 10625) and Data Privacy Act (RA 10173).
