*During the Simultaneous Inter-Cabinet Cluster Mechanism on Normalization Service Caravan*

**August 29, 2024** — The Philippine Statistics Authority-Maguindanao (PSA) PhilSys Unit actively participated in the simultaneous Inter-Cabinet Cluster Mechanism on Normalization (ICCMN) Service Caravan held at the Municipal Gymnasium of Datu Hoffer Ampatuan, Maguindanao del Sur, and Barangay Sifaran, Datu Odin Sinsuat, Maguindanao del Norte.

This significant event aimed to deliver essential services, including National ID registration and birth registration, to children and families from Moro Islamic Liberation Front (MILF) camps. The service caravan was a collaborative effort among various government agencies, demonstrating a unified commitment to fostering peace and development in areas affected by conflict.

The PSA-Maguindanao and PhilSys Team played a crucial role in ensuring that residents of these communities had access to vital civil registration services. This initiative aligns with the broader goals of the normalization process under the Bangsamoro Peace Agreement, aiming to bring essential services closer to the people, particularly those in the MILF camps.
